

Dear owners & executives;

I am writing to express my attention in the positions such as Managing Director, General Manager, CFO, COO, member of Board of Directors, Finance Director or Management Consultant depending on the industry, size and structure of interested companies and have enclosed my resume for your consideration to evaluate and keep in your records in this direction.

Review of my credentials and work experience will confirm that I have served as a catalyst and major contributor for successful general, financial and administrative management, business development initiatives, complemented by high-caliber management and leadership qualifications and a proven track record in delivering value both to client and vendor organizations.

As a management consultant and a professional who has been performing on high level in various industries such as construction and contracting, cement and concrete production, real estate development, healthcare services, printing, advertising and food industries, major highlights of my background that may be of interest to you include :

- Problem-solving and analytical talents combined with profit & loss and balance sheet management, department development and restructuring experience, structured professional skills, technology usage and experience,**
- Keen instincts to quickly effect change and improvement with key expertise in monitoring employee performance, daily workflows, inter / intra department relations,**
- Proven multi-tasking capabilities with strong ability to plan, prioritize and manage complex and demanding projects under aggressive timelines,**
- Strong leadership talents, team-player attitude and spirit, the ability to establish consensus among cross-functional lines,**
- Dynamic presentation and public speaking style, strong ability to build relationships within and outside the organization,**
- Comprehensive, in-depth experience across all corporate functions including marketing & sales, production, finance, accounting, budgeting, reporting, treasury, procurement, IT and HR,**
- Well-developed communication skills,**
- Demonstrated hands-on management style in the development and implementation of strategic plans to ensure company growth.**

As described, the positions above sound like a perfect match and I would very much appreciate the chance for a personal interview with you. I am certain that my presence on your companies will prove to be beneficial to both of us, me and your organizations. Thank you, in advance, for your time, consideration and forthcoming response.

Regards;
